SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Belton Elementary School is committed to providing a climate where all students can achieve and experience success. Our mission is to partner with the school, the home, and community to foster an innovative environment which promotes effective teaching and learning and encourages students to "Believe in themselves, Excel in performance and to Succeed in life." We strive daily to fulfill this mission.

We have a lot to celebrate at BES! We were recognized as being a Red Carpet School this year. This was the first time the school had ever applied for the award. We are certainly proud of our staff, parents, and community for making this achievement possible. Once again our students scored well above the state average on the 2008 PACT in all subjects and in all grades. We were able to achieve AYP as defined by NCLB meeting all twenty-one targets. Service learning projects play an important role in our school. Belton Elementary students held a Loggerhead Turtle Read-a-Thon with the proceeds benefiting the Sea Turtle Rescue Hospital. Students collected over \$3000 toward this worthy cause. Our Title I Parental Involvement Curriculum Nights were huge successes. We will continue next year with more opportunities for parental involvement. In an effort to encourage physical fitness, students logged in hundreds of hours of walking during our morning walking program, Panda Pacers. Belton Elementary also participated for the first time in the annual International Walk to School day with over 280 students, staff, and parent volunteers participating.

As part of our continued focus on literacy, we developed a Literacy Closet to house leveled readers to maximize small group reading instruction. In addition, BES was fortunate to have award-winning author April Pulley Sayre visit for the promotion of reading and writing. Teachers continued to log in hours of staff development in the areas of literacy, technology and instruction through workshops, collaborative planning sessions, and peer observations.

In preparation for the upcoming school year, we will continue to focus on student performance. Attention will be placed on reaching even higher levels of student achievement. Specific efforts will include staff training in teaching writing, differentiated instruction, and instructional technology. We reach out to our community as we partner to continue our successes. We thank everyone who made this past year wonderful, and we look forward to greater achievements in the future. Belton Elementary – Expect the Best!
